

Mini-Language Lessons Program (MLLP)

The Saskatchewan Association of International Languages (SAIL) is a provincial non-profit organization. Our mission is to preserve and promote Languages in Saskatchewan through educational and cultural programs.

SAIL's Mini-Language Lessons Program provides opportunities for language speakers to teach 8 hours of language and cultural lessons in Saskatchewan elementary schools, held annually between October to December and January to March.

Mini-language teachers will receive an honorarium from SAIL for each of their lessons.

Applications are now being accepted from volunteer language instructors! Language instructors do not need to be accredited teachers, but they should have experience working with children. Preference will be given to those who have formal training or teaching experience.

All Language Speakers are welcome, with the exception of English in French. Some of the languages that have been taught frequently in the program include:

Arabic, Bengali, Chinese, Cree, German, Hindi, Korean, Portuguese, Russian, Spanish, Tagalog, Ukrainian, Urdu, Yoruba, and many more!

Applications are available at:
